ABOUT OLIVIA

I am a pitcher, outfielder, and a third baseman with a strong bat. One of my strongest attributes as a fielder is my overhand velocity, which hits a clocked 65 mph. As a pitcher, while I consistently hit my spots with my upper 50s fast ball and screw, my change up is highly effective. I am an intense player, always ready for a new challenge and bringing power, focus, and determination to the field. I am a high school sophomore, playing on a showcase level 16U team, looking to continually raise my game. I am a multi-sport athlete, also playing basketball for my high school. I am a high performing student with a challenging course load and an interest in medicine. I enjoy playing violin for my high school orchestra. My goals for this year are to consistently pitch 60 plus mph, perfect some of my other pitches, and continue to improve my bat power, in-plate discipline, and softball IQ.
